

Job Title: Epidemiologist 2- HIV/STD Informatics
Organization: Tennessee Department of Health
Classification: Epidemiology
Location: Nashville, TN
Work Experience Needed: 3-5 years
Minimum Level of Education: Masters
Position Description: This Epidemiologist 2 will serve as the HIV and STD Surveillance and Informatics Coordinator.

Responsibilities include:

- Develop and maintain effective professional relationships with public health professionals at the state and local offices, the information technology team, and external partners
- Support onboarding of laboratory partners for electronic laboratory reporting through the import and validation of messages in HIV and STD surveillance systems
- Support NEDSS Base System (NBS) activities for STD surveillance and case management
- Utilize SAS, SQL Server Management Studio, and Tableau to visualize HIV and STD surveillance data
- Provide support for the STD surveillance system database, including reporting to CDC.
- Problem-solve around public health reporting issues, serving as a liaison between reporters and the HIV/ STD program

Qualifications: • Master of Public Health (MPH) degree or PhD in epidemiology

- 4+ years of experience in public health, with at least 2 years in applied epidemiology or public health surveillance
- Proficiency in SAS
- Knowledge and experience working with relational databases
- Excellent communication and project management skills

Organization Description: The Communicable and Environmental Diseases and Emergency Preparedness Division (CEDEP) within the Tennessee Department of Health includes programs in Immunizations, TB, HIV/STD/Hepatitis, Healthcare Associated Infections and Antimicrobial Resistance, Environmental Health, Foodborne and Vectorborne Diseases, Outbreak Investigations, and Emergency Preparedness. We have a large and enthusiastic staff, with extensive professional support and a pleasant working environment. Nashville is a burgeoning and vibrant city.

How to Apply: Please email a cover letter, CV, and writing sample to Donna Teasley at Donna.Teasley@tn.gov.

Additional Information: The Tennessee Department of Health is an equal opportunity, equal access, affirmative action employer. Must be eligible to work in the U.S. Degrees must be from an accredited college or university. A transcript evaluation is required for degrees earned outside of the United States.
